7. GENERAL PROVISIONS:

- (a) City hereby permits Permittee to use the property described in Item 3 for the purposes set forth in Item 4 and in accordance with the detailed sketch attached thereto.
- (b) Permittee shall maintain, at its sole cost and expense, the improvements set forth in Item 4 and the detailed sketch, in a good, safe and attractive condition.
- (c) Permittee shall repair, at its sole cost and expense, any and all damage, if any, to the property described in Item 3, resulting from its use of said property.
- (d) This Permit is revocable at any time, upon giving 30 days notice to Permittee, at the option and discretion of City or its duly authorized representative.
- (e) In the event that the City revokes this permit, Permittee shall immediately remove at its cost and expense the improvements described in Item 4 and shown on the detailed sketch in the right of way or easement and Permittee shall at Permittee's expense restore the right-of-way to its condition prior to installation of the improvements; provided, that if Permittee shall fail to do so or fail to do so in a manner that does not interfere with the City's use of the right of way or easement, then the City may perform such removal at the cost and expense of Permittee.
- (f) Permittee shall act as an independent contractor, and not as an employee of the City in performing its obligations pursuant to this Agreement. Permittee shall be solely liable, and agrees to be solely liable for, and shall indemnify, defend and hold City harmless from any and all loss, damage, action, claim, suit, judgment, cost or expense for injury to persons (including death) or damage to property (including destruction) in any manner resulting from or arising out of the installation, maintenance (failure to maintain), use or existence of the improvements described in item 4 and shown on the detailed sketch within City's right of way or easements. The foregoing shall include any damage incurred by Permittee or to the improvement-s due to the removal of the improvements by City or Permittee; as well as any damage caused by the forces of any natural occurrence.
- (g) Permittee further agrees that, in the event City requires access to any area of the right of way or easement, necessitating the removal of and/or damage to any or all of said improvements, Permittee shall remain solely responsible at its cost and expense for any necessary repairs to or replacement of said improvements in order to return the right of way or easement to its original condition, or to other conditions meeting City standards or requirements for the right of way or easement.
- (h) Upon completion execution hereof, Permittee shall record at its cost and expense this permit with the Clerk of the Circuit Court in the official records of Duval County, Florida, and shall provide to the City a copy of the duly recorded permit showing on the face of it the appropriate recording stamp of said Clerk showing the book and page number in and at which it was recorded.
